notes:

Romans 10:1

1 Timothy 1:1

Ephesians 5:14-17

People who are truly saved, are now children of the light.

- Watch how you walk around others.
  - * Some people only act saved when they are around Christians. When around the worldly people, they act like them to fit in.
- How deep is your effort to do more things for the Lord?
  - * Those who are saved should be doing Christian things everyday.
- If God is your saviour, he is who will save you from your worldly problems, so go to him for help.

Psalms 56:1-13

- If you talk to anyone with a problem, ask them how much do they pray?

* Sometimes we give sympathy when people really need the word.

- When God saves you, he makes you strong not weak.

Psalms 57:1-11

- Your sin is not bigger or smaller than someone else's sin. Sin is sin.
- Help does not come from misery or depression, help comes from the Lord

* You don't need a Christian artist to worship and praise, all you need is Jesus.

Psalms 9:7-9

Psalms 5:1-8

Psalms 46:1-2

- Sorry people say they are sorry. Christians admit their wrongs and acknowledge what they are going to do better.

Matthew 12:31-37

- It is not okay to argue. You will be judged for what you say.
- Good people talk about good things.
- What you say means something, just as much as what you don't say.

* you can't ~~you~~ just say something and take it back.

- Don't try to solve things with your mouth.

* you should always have praise coming from your mouth.

- Your religion and whether you trust God can keep you from being saved.
- If you are going to be saved, you must talk saved.
