scriptures: Psalms 50:23, Philippians 2, Matthew 5

Notes:

Philippians 2:1-16

We should be living for purpose not for selfishness.

We have to be otherly focused.

We should not be so busy in our own lives that we are not concerned for others.

Stop complaining about doing things for the Lord. Just do it!

Christians are not suppose to fit into the ways of the world. We should stand out from worldly people.

When you talk to others ask yourself how are you showing Christ through your words?

Be careful what you say to other people.

Matthew 5:13-17

Do you share your faith with others?

Is Christ the center of your life?
