Scriptures: Proverbs 23, Psalms 119, Luke 21, Romans 13, 1 Corinthians 5, 1 Corinthians 6

Notes:

Proverbs 23:29-35

- Keep away from those who drink because they can become abusive to those around them.
- They (alcoholics) can become so addicted to drinking that they will go as far as drinking mouthwash and rubbing alcohol just to get high.

Psalms 119:57-60

Are you thinking right in God?

- What God says is always right.
- What the world says is good for you, is not always what God wants for you.
- If your personality does not give praise to God, then you must change your personality.
- Rebellion is still within those who attempt to gradually change their wrong behaviors.
- God expects us to change immediately.
